● Professional Profile

Senior Graphic Design Specialist with 12+ plus years and 6+ plus years of UAE experience in the management of the complete design and photography process, from conceptualization to delivery. My interest in designing new materials and commercials. I am creative and can handle complications. I like to learn new things and by listening carefully and asking the right questions, I can get to the core of the conversation very quickly. Expert at interdepartmental coordination and communication.

As a senior graphic designer, creating visual text and imagery concepts, by hand or using computer software, to communicate ideas that inspire, inform, or captivate consumers. They develop the overall layout and production and social media design for advertisements, brochures, magazines, and corporate reports.

Skilled with Adobe Creative Suite and web design applications. Able to stretch the boundaries of digital graphics to help my client's brands stand out.
