Experience:

Assistant Finance Manager at Power Link Contracting Co Ltd (March 2017-October 2022)

Location: Saudi Arabia

Industry: High & medium Volt Cable Installation & Technical Services

Organization & Job Profile: The Power links contracting co Ltd is a specialised company having branches all over middle east dealing in high and medium volt cable jointing, termination and technical jobs, having a turnaround of SAR 100 million and employing about 500 specialised employees.

I am responsible for all-inclusive Finance Management of organization's Kingdom of Saudi Arabia division and my job profile primarily focuses on management and reporting to top management.

Highlights

- Managed all the financial reports related to account receivable, account payable and expenses with zero tolerance to errors.
- Monitored and ensured highest possible degree of compliance on receipts & payments.
- Single-handedly managed the budgets and ensured that the variations are within the allowed limits.
- Powered the organization to achieve 100% compliance for the past 4 financial years while preparing for the annual audit as per IFRS standards.
- Worked with the clients to minimise the bad debts and ensured receipts within the stipulated credit period. These funds mark almost 30% of the annual turnaround.
- Managed the monthly payroll, vacation settlement and final settlement for the entire organization with zero grievances and errors.
- Ensured meticulous documentation and helped the organization to file the VAT returns smoothly in every quarter.
- Managed the Imprest Account with zero misuse.

Management Accountant at The Plantation Corporation of Kerala (Dec 2011 – Dec 2016)

Location: India

Industry: Agriculture & Crop Production

Organization & Job Profile: The Plantation Corporation of Kerala Ltd(PCK), is the largest Plantation company in public sector over four decades with an annual turnaround of INR 1000 million.

My profile included the task of accounting, cost controlling, payroll management and purchase.

Highlights

- Managed the daily accounts of North Kerala division single-handedly.
- Prepared all the units under the division for internal and final auditing (half yearly basis) continuously for 4 years.
- Managed the purchase and stock record maintenance for the main warehouse that supplied to various units under the division.
