SUMMARY

Highly motivated and respected professional Developers and Designers Team Leader with 8 years' experience. I have excellent brainstorming and mentoring skills that I excel at new ideas generation and ensure all projects are delivered and meet the requirements of our clients. I am responsible for project scope and liaising directly with customers. I am looking to take on new challenges including managing multiple projects simultaneously and leading a bigger team. I am confident that with my experience and expertise, I would be an asset to your team.
